

A GREAT OPPORTUNITY TO PRAY FOR OUR COMMUNITIES!

Ashbourne Churches Together would love you to join in this great opportunity to join in a prayer week from the comfort of your own home.

On the evening of Sunday 19th April, at midnight, we will start to pray, every hour, day and night, until midnight on Sunday 26th April.

There will be a devotional each day, written by the church leaders, on a line of the Lord's Prayer, to help focus our prayers for the hour. The prayer that Jesus taught.

The devotional will be emailed to you the day before you are due to pray. If email is a problem, please let your church leader know.

All we ask is one hour of your time. 168 hours to be prayed into. 168 people. Or maybe you would like to pray more than once. The choice is yours. (Details on how to sign-up are at bottom the page.)

This is a great opportunity to 'stand in the gap' for our communities for such a time as this.

168 hours to pray into.

WE CAN DO THIS... LET'S GET PRAYING.

Sign-up sheet opens online at 1pm TOMORROW, Wednesday 15th April.

To sign up: just type ashelim.ch/247prayer into your address bar and the instructions will come up for you to follow.

You will be asked to also leave an email address so we can send you the daily devotional. This will be done within GDPR guidelines and will not be stored after the event.
